Free Woodworking Plans

Whenever possible I locate free plans on the internet, and occasionally I draw some up that hopefully will be beneficial to you. On the following four pages you will find a list of both types of free plans.

We all would like to see more free plans available to us at a click of the mouse. There are many unique plans available on the internet.

There are links to thousands of plans on this Woodworking site. More plans will be added on a regular basis. If you can't locate a plan at this time, please take advantage of this Woodworking.About.com's Forum. Someone may see your posted question, and know exactly where you can find what your looking for, or perhaps you can help out another fellow woodworker, by answering a question they may have.
