

## ***VICTORIAN HOUSE KEY HOLDER***

by Carol Cook

### **Delta Ceramcoat Palette**

Alpine Green	Green Sea	Rose Mist
Charcoal	Leprechaun	Straw
Dark Forest Green	Light Ivory	Toffee
Forest Green	Quaker Grey	Trail Tan

1. Sand and seal wood with Minwax Early American. Wait 24 hours before painting.
2. Trace on the pattern.
3. Base coat the roof, shutters, flower box and the floor with **Green Sea**. Shade the roof, shutters and the window box with a side load float of **Alpine Green** using 1/4" angle brush. Highlight the roof with a side load float of **Light Ivory**
4. Base coat the chimney and the foundation with **Quaker Grey**.
5. Base coat the steps with **Trail Tan**.
6. Shade under the roof line and under the window box and bottom of the shutters with **Trail Tan**.
7. Highlight the steps with **Light Ivory** and shade with **Toffee**.
8. Base coat the door and the window in **Charcoal**.
9. Lightly dry brush **Light Ivory** on the top and bottom of the door cross hatching to resemble a screen.
10. Side load float **Light Ivory** using your angle brush for the curtains on the window.
11. Base coat the door frame, window frame, fretwork and heart with **Rose Mist**.
12. Letter "Home Sweet Home" in **Light Ivory** with a 10/0 liner brush.
13. Stipple foliage in the window box **Forest Green** using 1/4" deerfoot brush or old scruffy brush then **Leprechaun** on upper third, and **Dark Forest Green** to shade on the bottom.
14. Make tiny flowers (small comma strokes) with **Light Ivory** and **Straw** centers.
15. The chimney and foundation stones are varying mixes of **Quaker Grey, Bridgeport, Charcoal, Toffee** and **Trail Tan**.
16. Shade the bottoms of the stones with a side load of **Charcoal**.
17. Paint pegs **Quaker Grey**.
18. Glue on heart and insert pegs.
19. Give several coats of **Final Coat** varnish.
